# AustralAsian Music Industry Directory

January 2004

Whatever part of the world you're from, you can get all the most critical, current, comprehensive & correct contacts in Australia, New Zealand and Asia Pacific corporate HQs in our 236 page AustralAsian Music Industry Directory which is also updated every two weeks in an online version with an email alert of changes to subscribers.

With over 70 categories through all levels of the industry, you'll find artists cross referenced by manager and label, booking agencies, promoters, publishers, music media contacts (print, radio & TV), retail, studios, venues from clubs to arenas and stadiums and every imaginable business sector.

All listings contain URLs and emails (hotlinked in the online subscription version) address, phone, fax, staff and extensive details on each business. In the case of record companies, we've divided them into majors, distributors & indies with crucial information on their submission policies.
