

AUSTRALIA mini-MUSIC DIRECTORY

While we can't give you the 220 page new edition of the entire AustralAsian Music Industry Directory with all 70 sections of highly detailed current contacts, we can offer this mini version which is also online with hotlinks.

For those of you who want to cart a copy home from SxSW, the January 2006 36th edition is available for purchase from the Australian stand. For those of you who already have too much schwag for the bag, you can order a paper copy for US\$50 or an online identical six month version (updated every two weeks) for US\$40 from IMMEDIA!. The address for the site is www.immedia.com.au/amid or phone 011 61 2 9557 7766
